Year of Hope Pilgrimage: 28 boys and girls of St. Paul school along with 4 teachers and father, made a pilgrimage to St. Stephen Cathedral Owensboro. We had a tour of the Cathedral done by Eddie McFarland, walked through the Holy Door in this year of Hope, Went to the smothers park Owensboro and visited Fr. Saneesh's previous parish. Thanks to Walter D'Andrea for driving the big bus so we could all go together.

All Souls' Day: It is a day specially set apart that we remember and pray for our dear ones who have gone for their eternal reward and who are currently in a state of ongoing purification. According to Revelation 21:27: "nothing unclean shall enter Heaven." Holy Scripture (Proverbs 24:16) also teaches that even "the just sin seven times a day." Since it would be contrary to the mercy of God to punish such souls with venial sins in Hell, they are seen as

entering a place or state of purification, called Purgatory, which combines God's justice with His mercy. The Church's official teaching on Purgatory is plain and simple. There is a place or state of purification called Purgatory, where souls undergoing purification can be helped by the prayers of the faithful. We will have a Mass at the St. Paul cemetery on All Souls' Day November 2nd at 4 pm.

Old man and the Altar Boy: One morning a man came into the church on crutches. He stopped in front of the holy water, put some on both legs and threw away his crutches. An altar boy witnessed the scene and ran into the sacristy to tell the priest what he had just seen. Son you have just witnessed a miracle the priest said. Tell me where the man is now. Flat on his back over by the holy water, the boy informed him

As of this publication on Tuesday, October 28, Hurricane Melissa is expected to cause catastrophic damage in Jamaica and southern Haiti. It may be the strongest hurricane ever to strike Jamaica. The Bishop of Mandeville stated this morning: "Many of the families in the Dioceses of Mandeville and Montego Bay are very poor and simply do not have the resources to build their homes to the special codes required for hurricanes and earthquakes."

The Diocese of Mandeville is our sister diocese and we will be taking a second collection the weekend of November 8/9. Please be as generous as possible—Catholic Relief Services has teams ready to respond.
